

How to provide an Official Transcript to New England College
One of the following ways

OPTION 1: Electronically from your university to NEC
graduateadmission@nec.edu

Ask your university to email an official transcript (consolidated marks memo) directly to Graduate Admission by email to graduateadmission@nec.edu. This must come from an administrator at your university.

CHECK THIS OUT: In India, email your university's *Controller of Examinations* to inquire. Their emails are available on the university's website.

OPTION 2: Mail from your university

Ask your university to send an official transcript (consolidated marks memo) by regular mail directly to Graduate Admission at the following address:

NEC Graduate Admission
98 Bridge St.
Henniker, NH 03242
USA

CHECK THIS OUT:
Transcripts can be ordered through some university's website.
For example: JNTU Hyderabad
<https://studentservices.jntuh.ac.in/oss/login.html>

OPTION 3: Mail from you

If you have your official transcript in an unopened and sealed envelope from your university, you may put that envelope inside another envelope and send it to:

NEC Graduate Admission
98 Bridge St.
Henniker, NH 03242
USA

OPTION 4: From [WES](#) or [Educational Perspectives](#)

If you have a transcript evaluation from [WES](#) or [Educational Perspectives](#), or a [NACES](#) member agency. Request they send it directly graduateadmission@nec.edu or the address above.
